discover your world

The Miffy Museum enables young children to discover their world while they play. Together with Miffy and friends they go on adventures in a miniature world.

group visits

For details of programmes available for groups at the Miffy Museum, please see miffymuseum.com.

Miffy gifts

Our large museum shop sells a wide range of Miffy gifts. From soft toys and t-shirts to puzzles and beakers, there is something for everyone. The Miffy Museum shares the shop with the Centraal Museum opposite.

museum café

The museum café is the place for good coffee, cake and lunch. There are also organic juices and Miffy-shaped pancakes, so children will be spoilt for choice. The Miffy Museum also shares the café with the Centraal Museum.

Prefer to bring your own food? Be our guest! At the Miffy Museum there is a picnic room where you are welcome to consume your own food and drink.
